A Journey Through Learning and Heritage - Subject Expo 2025

We organized a Subject Expo for our Grade 5 to 9 students, which was inaugurated by Mr. Dhanajayam, Headmaster of GBHSS, as the Chief Guest. Parents were invited to the event and had the opportunity to visit and appreciate the various student projects. Grade 9 students gave a special showcase on Tamil culture and traditions, which was warmly received by the parents, making the event a memorable and proud occasion for everyone.

ADMISSION CANVASSING DRIVE

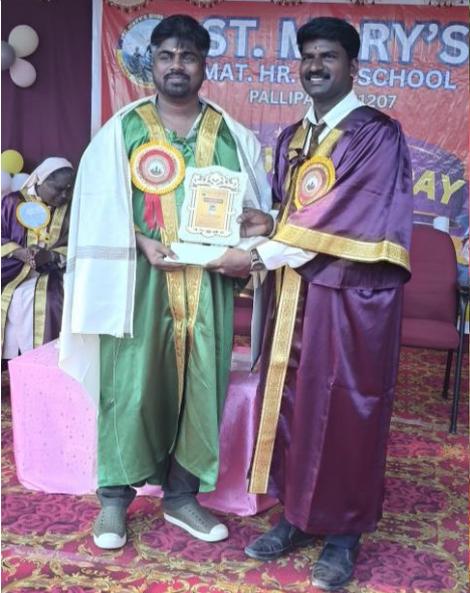

Our staff, along with the Campus Superior and Vice Principal, conducted individual and group canvassing in various villages, including Pallipat, Podaturpet, Athimenjeripet Pet, and Annur. We have also set admission targets, and our staff members are actively working towards achieving them by bringing in more admissions.

CELEBRATING YOUNG GRADUATES

We celebrated our Kindergarten Graduation Ceremony on 16th April 2024, where 95 of our students proudly graduated. Dr. Viswabharathi, Correspondent of Vidyapeedam School, Sholinghur, graced the occasion as the Chief Guest, and Mr. Jothi Kumar, Manager at PVR Inox and our esteemed alumnus, was the Special Guest. The day was filled with joy, vibrant cultural performances by our KG students, and a series of memorable programs that made the event truly special.

HONOURING THE JOY OF READING

National Library Day was celebrated at our school during the Morning Assembly by the Grade 8 students. They presented a program highlighting the importance of reading books and also decorated the library beautifully for the occasion. The ceremony was officially inaugurated by our Principal, Mr. L. Prem Kumar.

EQUALITY DAY

our students took a pledge in observance of Equality Day, reaffirming their commitment to upholding the values of justice, fairness, and equal rights for all."

STATE TO NATIONAL Celebrating Our Cricket Champions

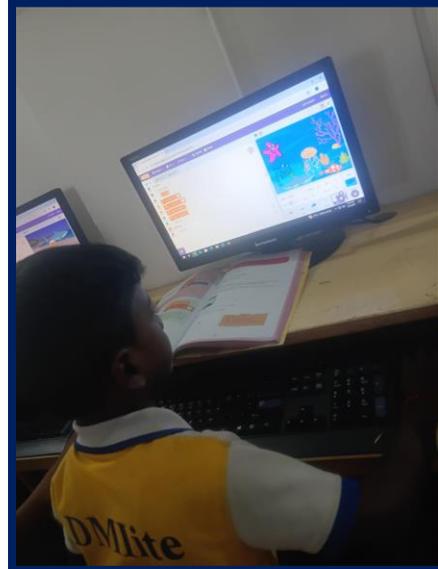

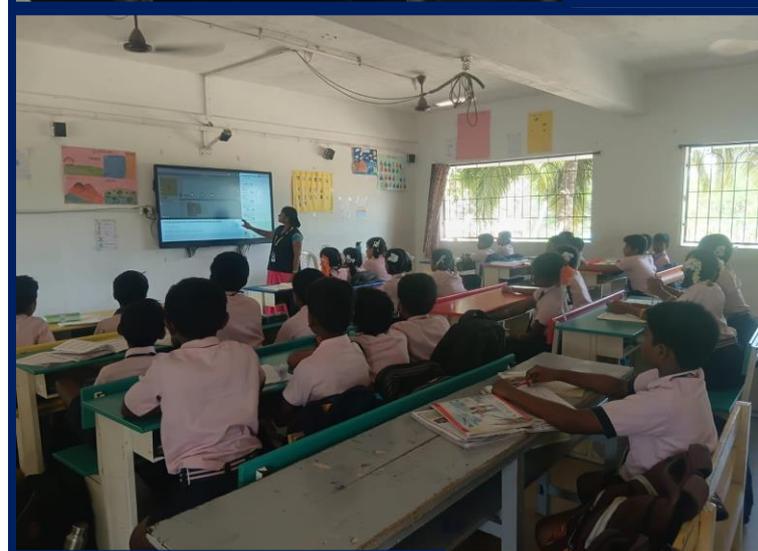

Our students participated in the State Level Tennis Ball Cricket Championship, and 14 of them have been selected for the Nationals. We wholeheartedly congratulate and appreciate their outstanding efforts and achievements. We are extremely proud of their dedication and success!

A TRIBUTE TO HIS HOLINESS THE POPE 22 - 04 - 2025

STEM Education & Smart Technology Integration

Our students are actively engaged in STEM courses such as Robotics and Coding, where they work on Arduino projects and create their own apps. These activities help them develop critical thinking and creativity. From Grades VI to VIII, students are also learning Python to design and develop their projects. Additionally, we have integrated Smart Board classrooms, enabling students to learn beyond textbooks and stay connected with developments happening around the world.
