NEWSLETTER – AUGUST 2025

Message from the Principal Desk

Dear Students,

As you prepare for your **I Terminal Examinations**, I encourage you to approach them with confidence and dedication. Remember, examinations are not just a test of memory, but an opportunity to reflect on your learning, discipline, and perseverance.

Success comes to those who plan well, stay focused, and believe in themselves. Revise with consistency, manage your time wisely, and maintain a calm and positive mind-set. Along with academics, ensure that you also take care of your health through proper rest and balanced nutrition.

Always remember, *hard work never goes in vain*. Give your best, and success will surely follow.

Wishing you all the very best for your examinations. May you shine with flying colours!

With blessings and best wishes,
Mr L PREM KUMAR
Principal

O P E N D A Y

The I Mid Term Open Day was conducted on 8th August 2025 for classes UKG to Std XII. On this day, parents had the opportunity to meet the teachers and discuss the academic performance of their wards. The event served as a platform for meaningful interaction between parents and teachers, enabling them to work together towards the progress and overall development of the students. Constructive feedback was shared, and strategies for improvement were discussed.

Independence Day Celebration

We celebrated **Independence Day** with great pride and patriotism on our school campus. The program began with the **flag hoisting ceremony**, followed by the singing of the **National Anthem**. Students presented cultural performances including patriotic songs, speeches, and dances that highlighted the significance of freedom and unity.

Empowering Young Minds with AI & ML

Students of Grade XI & XII are attending a Value Added Course on Artificial Intelligence (AI) and Machine Learning (ML). The course is designed to provide students with exposure to emerging technologies, develop problem-solving skills, and prepare them for future academic and career opportunities in the field of computer science and data-driven innovation.

“The skills of the 21st century are not just about what we know, but about how we think, how we adapt, and how we create solutions for a world yet to come.”

CCA / ECA ACTIVITIES

GRAMMAR CAPSULE TEST

The **Grammar Capsule Test** was conducted on **11th August 2025**. The assessment aimed at evaluating students' understanding of grammar concepts and their application in written and spoken English. The test helped in identifying the strengths and areas of improvement of students, thereby guiding teachers to provide targeted support for enhancing language proficiency.

SAFETY CHECK

A Proud Sporting Moment

Our **Sports Champions** brought pride to the school by winning the **trophy**, which was ceremoniously presented to them by our respected **MLA, Mr. Chandiran**. This achievement stands as a testimony to the hard work, dedication, and team spirit of our young athletes. The moment was truly inspiring, motivating other students to excel in sports and bring more laurels to the school.

Krishna Jayanthi Celebration

The **Kindergarten compartment** celebrated **Krishna Jayanthi** with great joy and devotion. The little ones came dressed as Lord Krishna and Radha, adding color and charm to the celebration. Traditional songs, dance performances, and cultural activities made the event lively and festive. Parents were invited to witness the celebration, and their presence added warmth and encouragement to the young participants.

“The wisdom of Krishna teaches us that true joy lies in love, devotion, and simplicity.”

Teachers' Orientation Program

An **Orientation Program for Teachers** was conducted by our **Principal** on **9th August 2025**. The focus of the session was on **Effective Communication Skills**, a vital aspect of successful teaching and classroom engagement. The program highlighted the importance of clarity, empathy, and active listening in communication. Teachers were encouraged to adopt strategies that foster better interaction with students, parents, and colleagues, thereby enhancing the overall learning environment.

"Effective communication is the bridge between confusion and clarity." – Nat Turner

TOPPERS MEET

**Medical
Camp at Our
School**

A **Free Medical Camp** was organized and conducted in our school campus by the **Government of Tamil Nadu**. The camp was formally inaugurated by our respected **MLA, Mr. Chandiran**, along with the **Honourable Health Minister**. The initiative aimed to promote health awareness and provide medical assistance to students, staff, and the local community. A team of qualified doctors and healthcare professionals carried out general check-ups, provided medical advice, and guided participants on healthy living practices.

Joyful Journey to MGM Dizze World

An Educational cum Recreational Field Trip was organized for the students of Grade VI to IX to MGM Dizze World, Chennai on 26th August 2025. The trip provided students with a wonderful opportunity to relax and refresh themselves outside the classroom environment. The students enjoyed a variety of thrilling rides and games at the theme park, which encouraged team spirit, peer bonding, and joyful learning through recreation.

Trip to Queens Land

Students of **Grade III to V** went on an **educational field trip to Queens Land** on 30.08.2025. The trip was filled with excitement as the children enjoyed various rides and attractions at the theme park. The outing provided a refreshing break from routine academics and gave the students an opportunity to learn through recreation, develop social skills, and strengthen peer bonding. It was truly a fun-filled and memorable experience for all.

Creativity Crowned with Success

Our students participated in the **Project Expo** held at **Dhanalakshmi Srinivasan College, Chennai**, and brought laurels to the school by winning the **Best Project Award**. Their innovative ideas, teamwork, and dedication were highly appreciated by the judges and participants. This achievement not only showcased their scientific temperament and creativity but also inspired their peers to strive for excellence in future competitions.
