THE BEACON OF KNOWLEDGE

NEWSLETTER -
FEBRUARY 2025

The **Maths Quiz Mela** was organized by the **Department of Mathematics** on **February 1, 2025**. Five schools participated in the event, which was conducted for students from **Grades 6 to 9**. The competition consisted of **four levels of quiz rounds**, testing the students' mathematical skills and problem-solving abilities. After an intense and engaging contest, **Divya Chaitanya - Sholinghur** secured the **1st Prize**, while our school students proudly won the **2nd Prize**.

We organized a "**Centum in Physics**" seminar for **Grade 12** students, aimed at guiding them toward achieving excellence in the subject. We had the honour of inviting **Mr. Purushotham** as the **resource person**, who provided valuable insights and strategies for mastering Physics. During the session, he shared essential guidelines and highlighted **key topics** that students should focus on to secure a **perfect score (centum)** in the subject. The seminar was highly beneficial, equipping students with the confidence and knowledge needed for their upcoming exams.

Our **Grade 10, 11, and 12** students appeared for the **Government Practical Examinations**, which commenced on **February 10, 2025**. The day began with a **prayer**, setting a positive and focused tone for the students. Our **Campus Superior** addressed the students, offering words of encouragement and motivation, inspiring them to perform their practical with confidence and strive for **success**.

CCA ACTIVITIES

CODING CHAMPIONS

The DFT organized an **Interschool Coding Competition** for students of **Grades 3 to 5**, providing a platform for young minds to showcase their coding skills. We are proud to announce that our talented students **K. Sanjana (Grade 3)**, **U. Theoflyn Jiya (Grade 4)**, and **Vidhya (Grade 5)** were selected to participate in this prestigious competition, which was held at **JVK, Poonamallee**, on **February 22, 2025**.

UKG ACTIVITIES

UKG students enjoyed hands-on activities like **lemon juice preparation** and **seed sapping**, making learning fun and interactive. These activities fostered **curiosity, creativity, and practical knowledge** about science and nature.

CCA ACTIVITIES

FANCY DRESS

The **KG Department** organized a **Fancy Dress Competition** for **Pre-KG, LKG, and UKG**. Our students participated with great enthusiasm, showcasing creativity and confidence. It was a day filled with **fun, excitement, and adventure!** 🌟👑

KG ACTIVITIES

The KG students engaged in a variety of fun-filled learning activities, including fine motor exercises, painting, fingerprint art, and hands-on experiences in the Montessori lab. These activities helped enhance their creativity, coordination, and cognitive skills while making learning an enjoyable experience. Through interactive and play-based methods, children explored new concepts in an exciting and engaging way, fostering their curiosity and love for learning.

Our students participated in the **District-Level Scouts Rally** held on **February 22, 2025**, demonstrating teamwork, discipline, and enthusiasm. It was a proud and enriching experience for all! 🏆🚩

**GRADE VI – VIII
(MOTIVATIONAL PROGRAM)**

Our **Grade 3 to 8** students enjoyed a **one-day field trip** to **Kalaingar Centenary Park, Chennai**. They explored the **glass house, various plant species**, and had fun on the **rides**, making it a day filled with **adventure and joy!** 🌿🎡😊

FIELD TRIP

Our **Campus Superior** regularly meets with parents to discuss their ward's **academic progress, discipline, and overall development**. Through these interactions, she ensures that students receive the necessary support and guidance to excel in their studies. She also takes special care in identifying **remedial students**, providing them with focused assistance to help them **improve their understanding and performance in exams**.

Bonded Labour System Abolition Day

TRANSPORT DAY

The **KG Department** organized **Transport Day**, a fun and educational event where young learners explored the world of transportation. Students enthusiastically learned about **different types of vehicles** and the three main modes of transport: **land, air, and sea**. Through interactive activities and visual demonstrations, children gained a better understanding of how transportation plays a vital role in daily life. The event was both **engaging and informative**, sparking curiosity and excitement among the little ones.

"The beautiful thing about learning is that no one can take it away from you." – B.B. King
