**NEWSLETTER - FEBRUARY 2026**

## *Message from Principal's Desk*

Dear Students,

Discipline is the key to success and the foundation of a strong character. It helps you develop responsibility, punctuality, focus, and respect for time. When you follow a disciplined routine, you are able to use your time effectively and move steadily towards your goals.

Success does not come from last-minute effort but from consistent hard work, regular practice, and a positive attitude. Set clear goals, stay organized, revise daily, and do not hesitate to clarify your doubts with your teachers. Along with studies, maintain a healthy lifestyle by getting enough rest, eating well, and staying calm and confident.

To our Board Examination students, this is an important phase of your academic journey. Believe in your preparation, avoid stress, manage your time wisely, and give your best in every subject. Remember, confidence, discipline, and perseverance will lead you to excellent results.

Stay focused, stay motivated, and always strive for excellence.

**Wishing all our Board Examination students the very best. May you achieve outstanding success and make your parents, teachers, and school proud!**

Warm regards,

**Mr. L. PREM KUMAR**

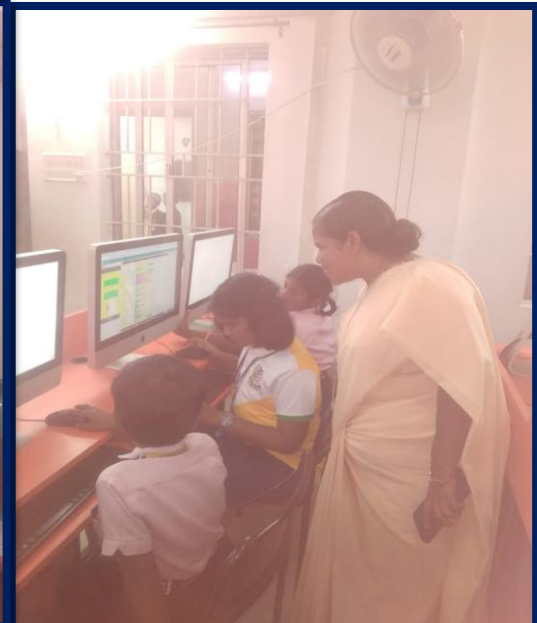

**Principal**

**St. Mary's School**

Our students participated in an interschool coding competition and won prizes for their excellent performance. Their achievement showcases creativity, technical skills, and teamwork, bringing pride to the school.

# Code Create Win!

A Toppers Meet was conducted for the board exam students to guide and motivate them for their upcoming examinations. Students were given effective preparation strategies, time management techniques, and subject-wise tips to help them score centum and achieve academic excellence. The session encouraged confidence, focus, and a goal-oriented approach towards success.

# Innovation in Action

Our students participated in the Robotics Competition conducted by **iSpark Learning Solutions** as an interschool event and won prizes for their outstanding performance. Their achievement reflects innovation, teamwork, and strong technical skills, bringing pride to the school.

With special prayer and blessings from the Campus Superior, the syllabus for Classes X and XII for the upcoming academic year was formally commenced, seeking guidance and success for our students' academic journey.

**Blessings for a Successful Academic Journey**

# Open Classroom Session for Parents

Parents were invited to observe the classroom sessions to understand the curriculum and the teaching-learning process. They witnessed various activities such as interactive teaching, student participation, reading and writing practice, and subject-based learning methods. After the observation, parents shared their valuable feedback. This initiative helps us strengthen our academic practices and also enables parents to understand the quality and effectiveness of the subject matter delivered to their children.

*“Education is a partnership between parents and teachers for a child’s bright future.”*

# ADMISSION CANVASSING

# KG GRADUATION CEREMONY

The KG Graduation Ceremony was held on 21<sup>st</sup> February 2026, marking a joyful milestone for our young learners. The event celebrated their successful completion of Kindergarten and their readiness to step into primary education, making it a proud and memorable occasion for students, parents and teachers

# ST. MARY'S MATRIC HR. SEC. SC PALUPA

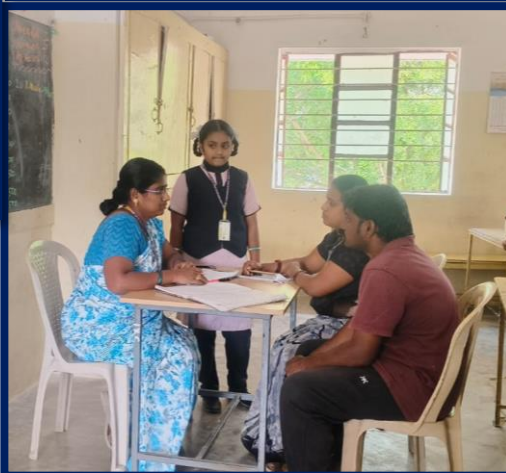

## National Level Championship Victory

Our student **K. Lohitha and Team** proudly represented **Tamil Nadu** in the National Level Tennis Ball Cricket Tournament held at **Sholingur** and won the **First Prize** along with the **Overall Championship**. This remarkable achievement showcases her dedication, talent, and sporting excellence, bringing great pride to the school and the state.

## CCA ACTIVITY by GRADE 5

# OPEN DAY

The Open Day was conducted on 28 February 2026. Parents met the teachers and discussed their ward's academic performance, progress, and areas for improvement. The interaction helped strengthen the parent-teacher partnership for better student development.

# GRAMMAR CAPSULE

The Grammar Capsule Test was conducted on 27 February 2026 for students of Grades 1 to 8 to assess their understanding of key grammar concepts. The assessment helped identify individual learning levels and specific gaps in language skills. Based on the performance analysis, teachers have planned level-based reinforcement and remedial support to address the learning needs. The initiative focused on strengthening foundational grammar, improving writing accuracy, and enhancing overall communication skills. This effort also supports continuous monitoring and systematic improvement in students' language proficiency.

*“Strong grammar builds confident communication and a strong foundation for lifelong learning.”*

Thank  
you
